A Thousand Tongues

Could not express the rapture of Annie E. Springer, of 1125 Howard St., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure: "It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the Universe." So will everyone who tries Dr. King's New Discovery for any trouble of the Throat, Chest or Lungs. Price 5¢ and \$1.00. Trial bottles free at P. H. Franklin's, druggist.

Robbed the Grave.
A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim. No one should fail to try them. Only 50 cts. guaranteed, at P. H. Franklin's drug store."
